Business/Industry-A	Pete's Amoco [Grand Opening of Amoco Pete's; also shows Cummings & Chute office, Cott Warehouse & trucks]	no date	PH1-BUS0521a.tif; a-q	a. block party grand opening celebration; f. new station with original station directly in front; when new one completed, old one torn down (probably 1960); k. Original station's lift for car repairs was outdoors; the new building can be seen in the background. Pete Carbone started the original in 1939 and gave it up in 1945, just after the war. Took it over again in 1951. He lived on Salem Street and sold cars (Salem Street Motors). The original station had a pit in the ground; a car would be driven over the pit and the mechanic would climb down the stairs into the pit under it. "From son Pete Carbone: "there were five of us brothers and my sister Anna Marie. The youngest wasn't born at this time but there were four of us brothers brought up working in that station, & the station before that, before they added the two bays." m. Carbone was one of the first businesses in
